Note:

Science and Technology Regional Conference at University of Horticultural Sciences, Bagalkot on 25th and 26th February, 2014

University of Horticultural Sciences, Bagalkot and Karnataka State Science and Technology Academy, have jointly organized two day Science and Technology Regional Conference in the premises of College of Horticulture, UHS, Bagalkot on February 25th and 26th, 2014.

Honourable Minister for Science and Technology, Govt of Karnataka, Shri S.R.Patil will inaugurate the conference. The function will be presided by MLA, Shri H.Y.Meti and Dr. Natesh, Advisor, National Institute of Immunology. Govt. of India, New Delhi will deliver Keynote talk on “The Plants, that changed India’s History”

On February 25th there will be six lectures and on February 26th, five lectures on various topics of Basic, Applied, General and Social Sciences by eminent resource persons and interaction. There is Cultural Programme in the evening of 25th February 2014.

The two day conference is open for interested persons belonging to districts of Bagalkot, Bijapur, Dharwad, Belgaum, North Canara, Haveri and Gadag. This conference invites science faculty and students from all the PU Colleges, Graduate and Post Graduate colleges. The teachers and scientists are cordially invited to make best use of the proposed conference. As per the guidelines four teachers and five students from PU (Science) College, five teachers and ten students from each Degree College and one teacher and two students from each PG Department of University will be permitted to attend the same.

Meals and Transport Allowance (2nd class rail/bus fare) will be provided to the participants coming from distant places on “First Come, First Serve” basis. So, interested people can download the application form from our website (www.uhsbagalkot.edu.in) and to be sent to Organising Secretary or to be mailed to deancohbagalkot@gmail.com or dean.cohbagalkot@uhsbagalkot.edu.in on or before 15.02.2014.
