Vice-Chancellor's Outlook....

Dr. K. M. Indires

University of Horticultural Sciences, Bagalkot has completed ten years on 22.11.2018. It is time to look back and make introspection of ourselves regarding our achievements. Though one feels that a lot has been achieved during these years by the hard work and responsible administration of two Vice Chancellors Dr. S. B. Dandin, Dr. D. L. Maheswar and their team of officers, faculty and staff, there is still lot to be achieved. There is a need to keep the tempo on.

The secret of success is constancy in purpose. Our purpose should have a Vision, the vision should be achieved. Vision without action is a day dream. Action without vision is a nightmare. Let all of us pledge for working to solve the problems of our stakeholders and produce the best human resource for the society.

Celebration of 10th Foundation Day of UHS, Bagalkot

University of Horticultural Sciences, Bagalkot celebrated its 10th Foundation Day on 22nd November, 2018. Dr. J. V.
